

# Futurewise Spring 2022 Fundraiser Sponsorship Packet

Futurewise’s annual fundraiser brings together government officials, citizen activists, community-based organizations, nonprofit leaders and business community members for a celebration of our collective work to protect Washington’s farms, forests and wildlife habitat from sprawl and to advance equitable, just and climate resilient communities.

After two years of virtual events, we are eager to gather with our community in person for a 150-200 guest cocktail reception at 21 Acres, a teaching farm in Woodinville. Join us for an evening of good food and good company.
